1	UNITED STATES DISTRICT COURT	
2	DISTRICT OF NEVADA	
3	IN RE ELLONA REDDICK,	Case No.: 2:20-cv-00478-APG-BNW
4		ORDER DISMISSING CASE
5		
6	JAY JASMINE SADDLER,	[ECF Nos. 1, 4]
7	Petitioner	
8		
9	It appears that Jay Jasmine Saddler, who is in the custody of the State of Wisconsin	
10	Department of Corrections, seeks an order from this court for DNA testing for a paternity matter	
11	ECF No. 1-1. While he has styled his filing as a habeas corpus petition, he is not challenging his	
12	custody under a state judgment of conviction on federal constitutional grounds, as is required for	
13	a 28 U.S.C. § 2254 habeas corpus petition. This court cannot grant the petition because it fails to	
14	state a claim for which habeas corpus relief may be granted.	
15	I THEREFORE ORDER the Clerk to detach and file the petition (ECF No. 1-1).	
16	I FURTHER ORDER that the petition is DISMISSED for failure to state a claim for	
17	which relief may be granted.	
18	I FURTHER ORDER that petitioner's application for leave to proceed in forma pauperis	
19	(ECF No. 1) and motion for DNA (ECF No. 4) are both DENIED as moot.	
20	I FURTHER ORDER that a certificate of appealability is denied.	
21	I FURTHER ORDER the Clerk to enter judgment accordingly and close this case.	
22	Dated: April 14, 2020
